MISSION STATEMENT

- The Senior Action Network (SAN) is committed to providing a networking forum to promote the exchange of ideas, information and opportunities for business development: to enhance healthy independent and secure lives for senior citizens: and to volunteer goods, services or labor toward a senior-related charitable cause or community outreach event.

Representing SAN in the Community

- As you promote your business outside of our general SAN meeting, it is important to remember you now are connected with over 170 other senior businesses. We encourage networking with each other and the community. As a SAN member you shall uphold the integrity and reputation as a member of the organization. Therefore we ask that you use common courtesies, considerations and ethics when representing SAN.
